

*Step back into golf history and experience*

**BOBBY JONES-ERA HICKORY SHAFT GOLF**  
and featuring  
***Oconomowoc Golf Club's Centennial Video***

Our centennial celebration continues! Join us **Saturday, June 11 at 2:30 pm** as we take our beloved game back to its roots. Play authentic early 1900's golf clubs with hickory wood shafts and leather grips.

You've heard the names: The persimmon head *Brassie*, the forged steel *Mid-iron*, the *Mashie* and the *Niblick*. Play iconic clubs and see a collection of authentic 1900-era hickory shaft clubs and rarely seen turn-of-the-century golf balls from the Golf Collectors Society.

This fun event will include:

- **Pre-game demonstration** of how to play hickory shaft clubs by William Reed, President of the Hickory Golf Association
- Try **old time "stymie" putting** on our practice green
- **A souvenir "Ouimet" golf ball** for all guests (square dimpled, 1912 replica)
- **Play in a 9-hole, "shamble" from the forward tees.**

The **cost of \$35 per person** includes club rental, souvenir ball and prizes!! Argyle socks, felt caps and plus fours optional.

*And then....*

The headline in the October 25, 1915 edition of The Milwaukee Journal read "New Golf Club at Oconomowoc to have one of the finest home grounds in the Country." And so it began. We are pleased to offer the **premiere showing of Oconomowoc Golf Club's 100<sup>th</sup> Anniversary video**, more than a year in the making. 18 members and former members were interviewed and will be featured in the video, helping to tell the story of our 100-year evolution. Grab some popcorn and settle in...it's movie time!

Heavy hors d'oeuvres, similar to the Wilson event last August (\$35 per person, including tax and tip, and billed separately from the golf) will be followed by the video. Come for the whole event, or just the reception and video.

Here's the schedule:

- 2:30 pm – Hickory club pre-game demo and practice
- 3:30 pm – Shotgun start on the front nine, shamble format
- 5:30 pm – Golf awards, cocktails and heavy hors d'oeuvres
- 7:00 pm – 100<sup>th</sup> anniversary video premiere

**Contact Dan Eimon** at [dan@ocongolfclub.org](mailto:dan@ocongolfclub.org) or 262-567-2302 to sign up for the Hickory Shaft event, the reception & video, or both. **Deadline is June 1.** Couples, men/women foursomes, junior 18-hole members all welcome!
